CITY OF AMBOY
Application for Building Permit or Zoning Variance

Procedures

1. Fill out parts I, II, and III.
 2. If new construction or digging is involved call JULIE 1-800-892-0123
 3. Establish property lines via survey or setbacks, and all drawings and designs must be copied and presented to the building inspector.
 4. Contact building inspector: **Ed Kowalski 815-973-1536**
 5. The building inspector will approve or disapprove of plans, building codes, or zoning.
 6. If approved, the building permit will be issued at city hall with appropriate fees.
 7. Disapproved building codes will be addressed by the building inspector.
 8. Disapproved zoning codes will stand or can be appealed to the Zoning Board of Appeals by a letter of request. Cost associated with an appeal is: Legal Notice Advertisement.
